

SCHEDULE AT A GLANCE

DATE/TIME	PROGRAM/EVENT TITLE	LOCATION
MONDAY, OCTOBER 20 (PRE-SHOW)		
7:00 am – 1:00 pm	VALLEY OF FIRE - a half-day adventure (pre-show, off-site - pre registration required)	Meet at the Las Vegas Convention Center OUTSIDE the South Hall Entrance
1:00 – 5:00 pm	Metal Roof Installation Training Certificate Program: Part 1	Meeting Room S224
TUESDAY, OCTOBER 21		
7:00 – 9:00 am	METAL & MIMOSAS (pre-registration required)	Meeting Room S229
8:00 – 9:00 am	MORNING KICK-OFF: Design and Development: A Technical & Personal Walk-Through of the Cleveland Clinic Lou Ruvo Center for Brain Health and the Dwight D. Eisenhower Memorial	Meeting Room S231
8:30 am – 12:30 pm	Metal Roof Installation Training Certificate Program: Part 2	Meeting Room S224
8:30 am – 12:30 pm	Roll Forming for the Metal Construction Industry: Part 1	Meeting Room S225
8:30 am – 12:30 pm	Advanced Metal Exterior Installation Techniques for Roofing & Building Contractors	Meeting Room S228
8:30 am – 12:30 pm	Metal Roofing from A (Aluminum) to Z (Zinc)	Meeting Room S219
9:00 – 10:00 am	KEYNOTE: Clinton "Clint" Romesha: Always Forward--Lessons in Resilience and Leadership	Main Theater
10:00 am	SHOW FLOOR OPENS - Special Red White and Blue Ribbon Cutting at the Barndominium	Expo Hall
10:15 – 11:15 am	Steel Pricing: Where Could It Go Next?	Business Growth & Innovation Learning Center
10:15 – 11:15 am	LEEDv5: Revisions that Affect Metal Constuction	Building Performance Learning Center
10:30 – 11:30 am	Choosing the Right Shop: Is It Time to Open Your Own?	Installation & Techniques Learning Center
10:30 – 11:30 am	Modern Solutions: Advancing Performance in Metal Building Insulation	Design District @ METALCON
10:30 am – 11:30 am	METAL MASTERY CLINIC: Standing Seam Metal Panels	Booth 7086
11:45 am – 12:45 pm	Breaking Tradition: How Owner Operators Can Unlock Growth w/ Real Automation	Business Growth & Innovation Learning Center
11:45 am – 12:45 pm	The Value of Metal Composite Materials: How Durability and Design Flexibility Affect Cost vs. Value	Building Performance Learning Center
11:45 am – 12:45 pm	METAL MASTERY CLINIC: Preformed Painted Metal Shingles	Booth 7086
12:00 – 1:00 pm	Installing Air Barrier System: The Devil is in the Details	Installation & Techniques Learning Center
12:00 – 1:00 pm	Acoustic Solutions for Metal Buildings	Design District @ METALCON
12:00 – 1:00 pm	MASTERCLASS: Seal the Deal: Developing Lifetime Warranties	Masterclass Meeting Room S116
1:00 – 5:00 pm	The Blueprint to Back Office Success: Managing Credit and Collections in Construction	Meeting Room S227
1:00 – 5:00 pm	Low Slope Detailing Workshop – Certificate Course	Meeting Room S226
1:00 – 2:00 pm	METAL MASTERY CLINIC: Soldering Techniques for Architectural Sheet Copper	Booth 7086
1:15 – 2:15 pm	Improving Utilization and Revenue Through AI	Business Growth & Innovation Learning Center
1:15 – 2:15 pm	Fire Blocking and NYC Building Codes: Finding Solutions	Building Performance Learning Center
1:30 – 2:30 pm	SPECIAL SESSION: State of the Industry - Presented by the Metal Construction Association	Main Theater
1:30 – 2:30 pm	Revolutionizing Scaffolding: Safety, Efficiency, and Global Best Practices	Installation & Techniques Learning Center
1:30 – 2:30 pm	Designing Metal Buildings for Circularity: Reuse and Recycling Strategies	Design District @ METALCON
2:15 – 3:15 pm	METAL MASTERY CLINIC: Retrofit Systems with Metal Roofing	Booth 7086
3:00 – 4:00 pm	SPEED NETWORKING (pre-registration required)	Main Theater
3:00 – 4:00 pm	Seeing Double: Adopting Twins for De-Carbonization, Resilience, and Circularity	Design District @ METALCON
3:00 – 4:00 pm	MASTERCLASS: Common Workers' Compensation Pitfalls & How to Avoid them: A Guide for Metal Construction Companies	Masterclass Meeting Room S116
3:30 – 4:30 pm	METAL MASTERY CLINIC: Prefinished Metal Panels; Stone Coated Metal Panels	Booth 7086
4:00 – 5:30 pm	WELCOME PARTY	Expo Hall
5:30 pm	SHOW FLOOR CLOSES	Expo Hall

DATE/TIME	PROGRAM/EVENT TITLE	LOCATION
WEDNESDAY, OCTOBER 22		
8:00 – 9:00 am	MORNING KICK-OFF: Breaking the Cycle of Wildfire Destruction: The Urgent Need for Fire-Resilient Construction	Meeting Room S231
8:30 am – 12:30 pm	Roll Forming for the Metal Construction Industry: Part 2	Meeting Room S225
9:00 – 10:00 am	KEYNOTE: Alex Chausovsky: Economic and Labor Market Update – What to Expect in 2025 and Beyond	Main Theater
10:00 am	SHOW FLOOR OPENS	Expo Hall
10:15 – 11:15 am	How to Grow Your Metal Roofing Business Case Studies	Business Growth & Innovation Learning Center
10:15 – 11:15 am	Insulated Metal Panels 101: An Introduction to IMPs	Building Performance Learning Center
10:30 – 11:30 am	METAL MASTERY CLINIC: Retrofit Systems with Metal Roofing	Booth 7086
10:30 – 11:30 am	The Time is Now: How to Efficiently Start or Reinvigorate Your Own Metal Shop	Installation & Techniques Learning Center
10:30 – 11:30 am	Spel(LI)ng (Be)auty in Met(Al)	Design District @ METALCON
11:45 am – 12:45 pm	Building High Performing Teams in Leadership Strategies for Growth	Business Growth & Innovation Learning Center
11:45 am – 12:45 pm	Future Proofing High Performance Buildings w/ Rainscreen Cladding Design	Building Performance Learning Center
11:45 – 12:45 pm	METAL MASTERY CLINIC: Soldering Techniques for Architectural Sheet Copper	Booth 7086
12:00 – 1:00 pm	Stronger Structures, Safer Assets: The Value of Metal in Extreme Weather Zones	Installation & Techniques Learning Center
12:00 – 1:00 pm	MASTERCLASS: Sealing the Envelope: Air, Vapor, & Thermal Barrier Solutions for Metal Buildings	Masterclass Meeting Room S116
12:00 – 1:00 pm	Advanced, Cost-Effective, Field Touch Ups, Repair and Restoration Solutions for Architectural Metal	Design District @ METALCON
1:00 – 2:00 pm	METAL MASTERY CLINIC: Stone Coated Metal Panels	Booth 7086
1:15 – 2:15 pm	Mastering B2B Sales: Key Strategies & Techniques for Closing Deals	Business Growth & Innovation Learning Center
1:15 – 2:15 pm	Steel Solutions for Sustainable Building Design: Pathways to Net Zero	Building Performance Learning Center
1:30 – 2:30 pm	Advances in Cold-Formed Steel Roll-Forming Technology: Optimizing Production Efficiency	Installation & Techniques Learning Center
1:30 – 2:30 pm	Sacred Geometry and Metal Roofing: A Match Made in Heaven	Design District @ METALCON
2:15 – 3:15 pm	METAL MASTERY CLINIC: Standing Seam Metal Panels	Booth 7086
2:30 – 3:00 pm	TOP PRODUCT AWARDS WINNER PRESENTATIONS	The Deck
3:00 – 4:00 pm	Understanding... And Documenting... the Environmental Footprint of Aluminum Extrusions	Design District @ METALCON
3:00 – 4:00 pm	Metal Roofing: Proper Design for Performance in High Wind Regions	Masterclass Meeting Room S116
3:30 – 4:30 pm	METAL MASTERY CLINIC: Preformed Painted Metal Shingles	Booth 7086
4:00 – 5:00 pm	HAPPY HOUR FOR FUTURE LEADERS	The Back Yard
5:00 pm	SHOW FLOOR CLOSES	Expo Hall
THURSDAY, OCTOBER 23		
10:00 am	SHOW FLOOR OPENS	Expo Hall
10:00 – 10:30 am	Semper Fi America's Fund Check Presentation	The Deck
10:15 – 11:15 am	Unlocking Talent: Proven 2025 Strategies for Attracting External Candidates	Business Growth & Innovation Learning Center
10:15 – 11:15 am	A Case for Removing Wood Blocking	Building Performance Learning Center
10:30 – 11:30 am	METAL MASTERY CLINIC: Soldering Techniques for Architectural Sheet Copper	Booth 7086
10:30 – 11:30 am	Cold Formed Buildings: An Introduction to a Growing Movement	Installation & Techniques Learning Center
1:00 pm	SHOW FLOOR CLOSES	Expo Hall
